Candidacy Exam Details

This student is hereby certified as having met all requirements for admission to candidacy for the degree indicated. Approval for admission to candidacy must be based on: (a) the student's academic record; (b) satisfactory performance on written and oral qualifying exams; and (c) approval of his/her dissertation topic. Included among these requirements are the following (please check the box or fill in the blank provided):

GPA:

The above GPA reflects all classes taken after the student was admitted to Graduate School. It may reflect all levels of coursework (undergraduate and graduate). According to Graduate Council Policy, "Unsatisfactory Scholarship" is defined as failure to maintain a 3.00 GPA in all work attempted.

Based on the above GPA, is the student making satisfactory progress? **Yes** **No**

Qualifying Examination Result: **Pass** **Fail**

Qualifying Exam Date:

Dissertation Topic Approval Date:

Dissertation Title:

It is up to the Academic Unit to determine if the current enrollment in Advanced Research (7979) should be changed to Dissertation Research (7980). If so, the Academic Unit must contact the Office of the University Registrar for assistance with current term enrollment adjustments. No retroactive changes will be processed.

All of the following supervisory committee members or their designated substitutes must approve this form before it is entered into the Student Information System (SIS), and the original form must be filed in the students academic folder.
